EVERY CRIME HAS A SOLUTION. IT'S HIS JOB TO FIND IT.

California Bureau of Investigation consultant Patrick Jane (Simone Baker in his Emmy-nominated role) has a blatant lack of protocol but is self-assured and driven. The former "psychic" uses his talent for seeing the clues everyone else misses to solve the most baffling crimes. But there's more than crime that makes this season a must-see: Lisbon and Cho reveal hints about their troubled pasts. Violence falls on CBI boss, and the new boss seems more interested in authority than teamwork. And as the Van Pelt-Rigsby relationship heats up, is threatened to cool down their careers. Match wits with the 23-Episode, 5-Disc Season Two of the hit series that balances nimble humor with dark thrills.
